REGULATIONS SURVIVING IN TERMS OF

Standards Act 18 of 2005
section 35(2)

**Regulations relating to the Application to a Commodity of the
Standardization Mark of the Standards Council**

Government Notice 1029 of 1948

(OG 1772)

came into force on date of publication: 14 May 1948

The Regulations relating to the Application to a Commodity of the Standardization Mark of the Standards Council were originally made in terms of section 27 of the Standards Act 24 of 1945, which was repealed by the Standards Act 33 of 1962 and subsequently repealed by the Standards Act 18 of 2005. Pursuant to section 35(2) of the Standards Act 18 of 2005, the Regulations relating to the Application to a Commodity of the Standardization Mark of the Standards Council are deemed to have been made under that Act. Please note that in terms of these regulations, 1 British Pound (£1) is equivalent to 2 Namibian Dollars (N\$2). Additionally, there are 20 shillings in a pound and there are also 240 pence in a pound of British currency. The abbreviation “s” refers to shillings and the abbreviation “d” refers to pence.

 3. Procedure in Regard to Withdrawal of Permit and Appeal
 4. Repeal of Regulations
-

Definitions

1. In these regulations, unless the context otherwise indicates, “the Act” means the Standards Act, 1945 (Act No. 24 of 1945), as amended -

REGULATIONS
Standards Act 18 of 2005**Regulations relating to the Application to a Commodity of the Standardization Mark of the Standards Council**

“mark”, in relation to any commodity, means a mark which the Council has in terms of section *fourteen* of the Act declared to be a standardization mark in respect of that commodity, or of the manufacture, production, processing or treatment of that commodity;

“permit” means a permit to apply the standardization mark which has been issued by the Council or a person acting under its authority in terms of section *fourteen* of the Act;

and any expression to which a meaning is assigned in the Act shall when used in these regulations have the same meaning, unless the context otherwise indicates.

Permit Fees

2. (1) (a) Applicants for permits shall pay the Council on application an initial fee of £10 free of bank exchange in respect of each permit applied for. This initial fee shall be known as the application fee.

(b) The application fee shall accompany the application for a permit.

(c) The application fee will not be refunded whether the application is successful or otherwise.

[subregulation (1) substituted by GN 1436/1951]

(2) (a) Holders of permits shall pay the Council an annual fee in respect of each calendar year which, in respect of each such year, shall be based on the holder's production of the commodity as estimated by the holder for that calendar year, or for the balance of the calendar year remaining in the case of an application made subsequent to the first day of January, and which shall be assessed in accordance with the tariff set forth in the Schedule to these regulations.

(b) The annual fee based on the production of the commodity as estimated by the holder of the permit at the beginning of the year shall be regarded as the provisional annual fee and shall be adjusted at the end of the year in accordance with the actual production for that year. The holder of the permit shall submit on or before the thirty-first day of January of the ensuing year a sworn statement declaring his actual production for the preceding year. Any amount due by the holder of the permit to the Council as a result of such adjustment shall be paid not later than the twenty-eighth day of February of the ensuing year. Any amount due to the holder on adjustment shall be credited or refunded to him as he may indicate to the Council.

(c) The provisional annual fee shall be paid -

(i) in respect of the first year, immediately on notification being received by the applicant that his application for a permit has been successful, the issue of a permit being contingent upon the due payment of the provisional annual fee as assessed;

(ii) in respect of the second and subsequent years, on or before the thirty-first day of January of each year.

[subregulation (2) inserted by GN 1436/1951]

REGULATIONS
Standards Act 18 of 2005**Regulations relating to the Application to a Commodity of the Standardization Mark of the Standards Council**

(3) If the holder of a permit to apply the Mark to a particular commodity wishes to discontinue applying the Mark to that commodity and accordingly to surrender his permit, he shall give notice in writing to the Council of his intention, such notice to reach the Council on or before the thirtieth of November in any year. Where notice is received by the Council after this date, the holder shall be liable in full for the fees payable in respect of that permit for the ensuing year. Under no circumstances will any refund be made of the fees or any portion of the fees paid in respect of a permit which has been surrendered. The surrendered permit shall be regarded as determining on the thirty-first of December of the year in which notice of intention to surrender the permit is given, after which date the name of the holder shall forthwith be removed from the list of holders of permits in respect of the commodity concerned, and he shall be required forthwith to discontinue applying the Mark to that commodity.

[subregulation (3), previously subregulation (2), renumbered by GN 1436/1951]

(4) In the event of the annual fee in respect of a particular permit being in arrears, the Council shall have the right to withdraw that permit from the holder, and to remove his name from the list of holders of permits in respect of that commodity, subject to the holder receiving at least one month's notice of the Council's intention to withdraw the permit.

[subregulation (4), previously subregulation (3), renumbered by GN 1436/1951]

Procedure in Regard to Withdrawal of Permit and Appeal

3. (1) Subject to the right of appeal given in section *sixteen* of the Act, the Council shall be entitled -

- (i) to refuse to grant or renew a permit;
- (ii) to withdraw a permit.

(2) The decision of the Council refusing to grant or to renew a permit or withdrawing a permit shall be communicated in writing to the applicant or holder concerned, by delivering or by sending by registered post notice of the decision at his address as given in the form of Application for the Issue of a permit.

(3) The applicant or holder concerned shall thereafter have the right to appeal to the Minister, as provided in section *sixteen* of the Act. Notice of intention to appeal to the Minister against the decision of the Council shall be submitted in writing to the Council within thirty days after receipt by the applicant or holder concerned of notice of the Council's decision. Appeal to the Minister shall be made within sixty days after receipt by the applicant or holder concerned of notice of the Council's decision.

Repeal of Regulations

4. The regulations published under Government Notice No. 1364 of the 4th July, 1947, are hereby repealed.
