REGULATIONS MADE IN TERMS OF

Allied Health Professions Act 7 of 2004

section 55 read with sections 26 and 32

**Regulations relating to the Registration of Physiotherapists,
Specialties, Additional Qualifications and Interns;
and to the Restoration of a Name to a Register**

Government Notice 31 of 2007

(GG 3795)

came into force on date of publication: 22 February 2007

The Government Notice which publishes these regulations notes that they were made on the recommendation of the Interim Allied Health Professions Council of Namibia. It withdraws regulation 26 of Part IV, the whole of Part V and the whole of Part VI of the regulations published in GN 49/1997 (GG 1526), and “regulation No. 224 of 7 November 2005”.

The regulations published in GN 49/1997 were made in terms of the Allied Health Services Professions Act 20 of 1993 (GG 710). They survived in terms of section 62(2) of the Allied Health Professions Act 7 of 2004 (GG 3247).

The reference to “regulation No. 224 of 7 November 2005” must be an error. There was no *Government Gazette* published on that date. GN 224/2005 (GG 3498) was published on 15 September 2005 and is concerned with charges and fees regarding the control of outdoor advertising in Walvis Bay. The regulations published in GN 49/1997 do not contain a regulation numbered 224. It is therefore unclear which regulation was intended to be withdrawn.
