#### GOVERNMENT NOTICE

No. 6	Employees' Compensation Act, 1941: Tariff of Fees for Private Hospitals and Unattached Operating Theatre Units .....	1
-------	--	---

### Government Notice

#### MINISTRY OF LABOUR AND HUMAN RESOURCES DEVELOPMENT

No. 6 1996

#### EMPLOYEES' COMPENSATION ACT, 1941: TARIFF OF FEES FOR PRIVATE HOSPITALS AND UNATTACHED OPERATING THEATRE UNITS

Under section 79 of the Employees' Compensation Act, 1941 (Act 30 of 1941) I hereby with effect from 1 January 1996 prescribe the Tariff of Fees for Private Hospitals and Unattached Operating Theatre Units and the general rules and general modifiers applicable thereto, as set out in the Schedule.

The fees as set out in the Schedule are applicable in respect of payments authorized for services rendered on or after 1 January 1996.

ADV. G.S. HINDA  
CHAIRPERSON OF THE SOCIAL  
SECURITY COMMISSION

Windhoek, 6 December 1995

**GENERAL RULES****SCHEDULE**

- A. The Scale of Benefits set out in Sections 1 - 6 hereof, shall apply in respect of private hospitals and unattached operating theatre units with practice code numbers commencing with the digits 57, 58 or 77.
- B. The charges relating to each types of hospital/unattached operating theatre unit are indicated in the relevant column opposite the item codes.
- C. The charges indicated in Section 5 hereof, are applicable to both categories of such hospitals and unattached operating theatre units.
- D. The amounts stipulated in the Scale of Benefits shall be deemed to be inclusive of Value Added Tax.
- E.1 Procedure for the classification of hospitals.
- E.1.1 A committee of 3 (three) members shall be established, and shall consist of 2 (two) members nominated by the Representative Association of Medical Schemes and 1 (one) member nominated by representatives of the Private Hospital Industry to consider applications by private hospitals to be classified as private hospital having practice code numbers commencing with the digits 57 to 58 and for the approval of specialised intensive care units, specialised theatres, catheterisation laboratories and trauma units. The criteria to be applied and the procedures for considering such applications of for conducting any inspections, shall be laid down by the said committee and the decision of the said committee shall be final.
- E.1.2 The fee payable by a private hospital for the inspection for classification will be N\$2 280.00 or such other fee as may be determined by the committee from time to time. In addition, any such private hospital shall also be liable for all travelling and/or accommodation costs reasonably incurred.
- E.2 The fee payable by a private hospital for the inspection of specialised intensive care units, catheterisation laboratories and specialised theatres will be N\$456.00 or such other fee as may be determined by the committee from time to time. In addition any such private hospital shall also be liable for all travelling and/or accommodation costs reasonably incurred.
- E.3.1 The said committee shall also have the power to receive and investigate complaints that any private hospital having practice code numbers commencing with the digits 57 to 58 no longer meets the criteria required for such classification. The said committee may conduct such re-inspections as it considers desirable, and shall afford any such private hospital no longer meeting such criteria a reasonable opportunity to rectify matters, failing which said committee may reclassify any such private hospital as an institution having a practice code number commencing with the digits 90.
- E.3.2 The provisions referred to in E.3.1 shall apply mutatis mutandis to all approved intensive care units, specialised theatres, catheterisation laboratories and trauma units.
- F.1 Procedures for the reclassification of unattached operating theatre units with 76 practice numbers.
- F.1.1 A committee of 3 (three) members shall be established, and shall consist of 2 (two) members nominated by the Representative Association of Medical Schemes and 1 (one) member nominated by the South African Day Clinics Association to consider applications from unattached operating theatre units having practice code numbers commencing with the digits 76 to be reclassified as approved unattached operating theatre units having practice

code numbers commencing with the digits 77. The criteria to be applied and the procedure for considering such applications or for conducting any inspections, shall be laid down by the said committee and the decision of the said committee shall be final.

- F.1.2 The fee payable by an unattached operating theatre unit for an inspection for reclassification shall be N\$1 140.00 or such other fee as may be determined by the committee from time to time. In addition any such unattached operating theatre unit shall also be liable for all travel and/or accommodation costs reasonably incurred.
- F.2 The said committee shall also have power and investigate complaints that any unattached operating theatre unit having a practice code number commencing with the digits 77 no longer meets the criteria required for such classification. The said committee may conduct such re-inspections as it considers desirable and shall afford any such unattached operating theatre unit, no longer meeting such criteria, a reasonable opportunity to rectify matters, failing which said committee may reclassify and such unattached operating theatre unit as a unit having a practice code number commencing with the digits 76.
- G. All accounts submitted by private hospitals/unattached operating theatre units shall comply with all of the requirements of Regulation 7 promulgated in terms of the Medical Schemes Act, Act No. 72 of 1967, as amended by Act 23 of 1993. Where possible, such accounts shall also reflect the practice code numbers of the surgeon. The anaesthetist and of any assistant surgeon who may have been present during the course of an operation.
- H. All accounts shall be accompanied by a copy of the relevant theatre accounts specifying all details of items charged, as well as the procedure performed. Medical schemes shall have the right to inspect the original source documents at the hospital/unattached operating theatre unit concerned.
- I. All accounts containing items which are subject to a discount in terms of the Scale of Benefits shall indicate such items individually and shall show separately the gross amount of the discount.

**MODIFIERS**

**Orthopaedic, Neurosurgical and Vascular**

0002 A surcharge shall be applicable in respect of item ..123 **only if** the specialised theatre has been **approved in terms of General Rule E.1.1.**

**Cardia-Vascular and Transplants**

0003 A surcharge shall be applicable in respect of item ..123 **only if** the specialised theatre has been **approved in terms of General Rule E.1.1.**

## 1. ACCOMMODATION

## WARD FEES

Hospitals and unattached operating units shall indicate the exact time of admission and discharge on all accounts.

In the case of hospitals, ward fees shall be charged at fully daily rate if the patient is not discharged before 23H00 and day admission fees shall be charged in respect of all patients admitted as day patients and discharged before 23H00 on the same date.

The items appearing under code .081 shall be deemed to be included in ward fees, and no charge in respect thereof may be levied.

Code 57/58/77	Description	Practice Code Number 57/58	
		N\$	N\$
1.1	<b>General Wards</b>		
001	Surgical Cases: per day .....	379-20	-
003	Thoracic and neurosurgical cases, including laminectomies and spinal fusion: per day .....	392-40	-
005	Medical and neurological cases: per day .....	379-20	-
009	Day admission which includes all patients discharged by 23H00 on date of admission .....	187-70	187-70
011	Overnight fee (subject to ongoing review and a maximum of one night) .....	-	105-00
	<b>Maternity cases</b>		
	<b>Natural births</b>		
021	Maternity cases: Rates by arrangement with the scheme concerned .....		
023	First day (Day of confinement) .....	-	-
025	Subsequent day(s) .....	*	-
027	Use of epidural anaesthesia for natural births .....	*	-
	<b>Caesarean</b>		
029	First day (Day of confinement) .....	*	-
031	Subsequent day(s) .....	*	-

\* To be advised during 1996.

To above maternity fees **EXCLUDE** ward and theatre drugs in **INCLUDE** all other charges such as multiple births, after-hour deliveries including caesareans, labour ward or other ward fees, nursery fees, theatre and equipment fees and surgical items. The above fees also **EXCLUDE** the costs of special treatment of newly born infants certified as necessary by the attending practitioner, which shall be dealt with in accordance with the Scale of Benefits for private hospitals and the rules of relevant scheme pertaining to such dependents.

RAMS and the Hospital Industry agreed to re-negotiate the recommended maternity fee after further research and consultation have been completed.

A neonate required specialised treatment in an ICU shall be considered to be a patient in its own right and, for that reason, the Scale of Benefits shall be applied to such neonate.

**Ward and Theatre Drugs**

The amount charged shall not exceed the trade unit price, exclusive of VAT, as listed in the Ethical Price List prevailing from time to time, plus 25.4% (which shall be inclusive of mark-up and VAT), plus a dispensing fee of N\$2.80 which is of VAT.

Code 57/58	Description	Practice Code Number 57/58
		N\$
1.2	<b>Private Wards</b>	
041	Private wards on doctor's request. If accommodation in a private ward has been prescribed by a medical practitioner for medical reasons, fees for such accommodation may not exceed the rate shown. . . . .	518-00

Hospitals shall obtain a certificate motivating the necessity for accommodation in a private ward from the attendant practitioner and such certificate shall be forwarded to the relevant scheme together with the account.

043 Private ward on member's request. If a scheme undertakes to pay for a private ward requested by a member, a 10% discount on the ruling private ward rate will apply if the hospital is paid direct by the scheme concerned.

**1.3 Special Care Ward**

Hospitals shall obtain a certificate motivating the necessity for accommodation in any specialised or other intensive care unit or in high care ward from the attendant practitioner, and such certificate shall be forwarded to the relevant medical scheme together with the account.

No charge may be levied for special nursing whilst a patient is accommodated in a specialised intensive care unit, intensive care unit or high care ward.

		N\$
..061	Specialised ICU (As approved by the joint committee according to General Rule E.1.1) . . . . .	1 770-00

(Subject to a maximum of 3 days, whereafter the fee under item .063 will apply. Use of this unit shall be limited to cardia-thoracic, cardia-vascular and neuro-surgery cases)

Code 57/58	Description	Practice Code Number 57/58
		N\$
.063	Intensive Care Unit: Per day .....	1 331-00

**Note:** Definitions of Intensive Care and High Care Units to follow in 1996.

(The charges referred to under items .061 and .063 include the use of all equipment except Bennett MA, Servo and Beares respirators or equivalent apparatus plus the cost of oxygen)

Code 57/58	Description	Practice Code Number 57/58
		N\$
065	High Care Ward: per day	820-00

All admissions to units/wards referred to under .063 and .065 shall be confirmed with the relevant scheme for each 72 hours.

..081 Non chargeable items and equipment in Wards, High Care Wards and all Intensive Care Units (Which would always include the equivalent to the items named).

- Acetone
- Alcohol or spirits
- Betadine skin cleanser scrub, Shampoo and Spray
- Body lotions, powders, cream, oils and shampoo
- Catavlon
- Cidex and all sterilising fluid
- Collection charges (pathology)
- Connections, adaptors
- Dettol - Instrument Dettol
- Douche cans
- Disinfectants - e.g. Biocide
- ET tube introducers
- ET tube (non-disposable)
- Face masks
- Formalin in saline
- Fractional items
- \* Strapping - e.g. Elastoplast, Microspore, Transpore, Dermicel, Zinc oxide
- \* Ophthalmic/ear/nose drops, creams and ointments - e.g. Sofradex, Maxitrol, Lacrilube
- \* Topical anaesthetics - e.g. Remicaine, Cocaine, Zylocaine
- \* Sprays - e.g. Opsite, Disdine
- \* Jellies - e.g. KY
- \* Creams - e.g. Terracortril, EABS
- Gloves for non sterile procedures (except for barrier nursing)
- Gowns and briefs including disposable (except for barrier nursing)
- Habitan - all solutions
- Humidifiers (except Aquapac)
- Iodine - solution for prepping

Labstix, Multistix, Dextrostix (except when marked TTO)  
Lancets and autolets  
Linen, linen savers, draw sheets including disposable linen  
Liquid soups - except for burns and haemorrhoidectomies  
Meals ex kitchen or catering services, milk substitutes, baby foods and meal supplements excluding hyperalimentation - e.g. tube feeds  
Medicine glasses, spoons and syringes for feeding  
Merthiolate, mercurochrome for prepping  
Nursing  
Packs (sterile) (except for items ..491 and ..493)  
Patient controlled analgesia single use disposable pumps **NOT** conforming with the requirements of item ..413  
Prep equipment - shaving trays, razors, scrub-up brushes, antiseptic soaps and solutions, depilatory creams  
Receptal liners  
Savlon  
Sheepskins  
Shut-off valves  
Spatulas, tongue depressors and orange sticks  
Spigots and safety pins  
Spray top bottles  
Sputum cups  
Sterile water (except for flushing of wounds)  
Sterilisation of instruments or materials  
Stitch cutters and staple removers (including disposable)  
Thermometers - except temperature probe in NNU/ICU (1 per patient)  
Trays (except items ..491 and ..493)  
Ventilator circuits, Bacterial - Viral filters and tubing (applicable to items ..417, ..425)

#### **NON-CHARGEABLE EQUIPMENT IN WARDS**

- \* Dinamapp and Sphygmomanometer
- \* ECG and paper - electrodes chargeable
- \* Oximeter
- \* Oxisensor except in Neonatal ICU (1 per case)
- \* Oxygen analysers, hoods and attachments, (disposable attachments excluded)
- \* Peak flow meters, excluding disposable mouth piece
- \* Stethoscopes

1.4 Global fee for Rehabilitation and Psychiatry

**2. PROCEDURE ROOM/THEATRE FEES**

The items under code ..181 shall be deemed to be included in theatre or procedure room fees, and no charge in respect thereof may be levied.

Code 57/58/77	Description	Practice Code Number	
		57/58 N\$	77 N\$
<b>2.1</b>	<b>Emergency Unit Fee</b>		
..101	For consultative or similar services involving the use of the bed or couch but with minimal input from nursing staff. These charges specifically exclude routine consultations by medical practitioners. ....	10-50	10-50
..103	Services other than those under ..101 that require the use of facilities and/or equipment outside of the theatre complex involving nursing staff input such as observation or counselling and limited to the use of items such as small dressings, injections, stitching and application, repair or removal of plaster of paris casts. .	95-40	95-40
<b>2.2</b>	<b>Procedure Room</b>  A facility where simple procedures which require limited instrumentation and drapery, minimum nursing input and no general anaesthetic, are carried out. No sophisticated monitoring is required but resuscitation equipment must be available in the procedure room.  <b>Time in procedure room</b>  The exact time of admission to and discharge from the procedure room shall be stated upon which the procedure room charge shall be calculated as follows		
..121	Charge per minute .....	4-80	4-80
<b>2.3</b>	<b>Operating Theatre</b> <b>Time in Theatre</b>  The exact time of admission to and discharge from theatre shall be stated, upon which the theatre charge shall be calculated as follows:		
..123	Charge per minute .....	15-20	15-20

**Specialist Theatre**

In addition to the theatre charge calculated as above, a surcharge (modifier 0002) shall be allowed in cases where specialised theatres referred to in General Rule E.1.1. are utilised for the performance of any of the undermentioned procedures, whether carried out individually or in combination with each other, which surcharge shall be deemed to cover the use of all specialised equipment required for such procedures.

Code 57/58/77	Description	Practice Code Number 57/58	
		57/58 N\$	77 N\$
<b>Mod 0002</b>	<b>1. Orthopaedic, Neurosurgical and Vascular: (Modifier 0002)</b>  * Joint replacements (only hip, knee, shoulder ankle or elbow) * Femoral popliteal bypasses * Carotid endarterectomies	423-00	-

Code 57/58/77	Description	Practice Code Number	
		57/58 N\$	77 N\$
<b>2.4</b>	<b>After hours</b>		
..13i	After hours: per case, for cases admitted to theatre from 19H00 to 07H00 on weekdays, from 13H00 on Saturdays to 07H00 on Mondays, and public holidays.	114-60	114-60

...181 Non chargeable theatre items (which would always include the equivalent to the item named)

- Acetone
- Alcohol, spirits or any prep solution containing these
- Anaesthetic circuits, masks, filters, humidifiers, rebreathing bags
- Anaesthetic tray
- Collection charges (pathology)
- Connections and adaptors
- Disinfectant - e.g. Biocide
- Disposable gowns and drapers, C arm drapers, Mayo table drapers except: Disposable paper based barrier gowns and theatre table drapers may be charged for in the following instances:
- \* Hip, knee, shoulder and elbow joint replacement
- \* Open heart and cardiac bypass surgery
- \* Vascular surgery
- \* Neuro-surgery (Brain and spinal cord)
- \* Arthroscopy
- \* Spinal surgery where extensive internal fixation is used
- ET tube introducers
- ET tubes (non-disposable)
- Face masks, head covers and overshoes
- Formalin in saline
- Fractional items

- \* Strapping - e.g. Elastoplast, Microspore, Transpore, Dermicel, Zinc oxide
- \* Ophthalmic/ear/nasal drops, creams and ointments - e.g. Sofradex, Maxierol, Lacrilube
- \* Topical anaesthetics - e.g. Remicaine, Cocaine, Xylocaine
- \* Sprays - e.g. Opsite Disadine
- \* Jellies - e.g. KY and Cardiotrace
- \* Creams - e.g. Terracortil
- Glass syringes, utensils and apparatus
- Gloves not used by sterile surgical item
- Linen and linen savers including incontinent pads and sheets
- Patient Controlled Analgesia single use disposable pumps
- Preptics/webcols
- Preparation items - shaving trays, razors
- Receptal liners
- Recovery room
- Re-usable operating instruments and dental ENT drills, burrs, bits and cutters except for items referred to in Section 5
- Skin preparation solutions, antiseptic solutions and soaps
  - \* Bioscrub
  - \* Betadine scrub, skincleanser, spray
  - \* Cetavlon
  - \* Chlorhexadine gluconate
  - \* Dettol
  - \* Hibitane - all solutions
  - \* Iodine - all solutions
  - \* Liquid soaps e.g. Gill
  - \* Merthiolate and mercurochrome
  - \* Povidone Iodine
- Scrub-up materials, solutions, creams, soaps, brushes
- Spigots and safety pins
- Standard packs
- Sterile trays
- Sterilising of instruments or materials and Steripeel
- Sterilising solutions, gases or tablets used to sterilise instruments e.g.
  - \* Biocide
  - \* Cidex or any solution to sterilise instruments
  - \* Chlorhexadine gluconate
  - \* Formalin tablets
  - \* Hibitane solution
- Sterile water - except for flushing of wounds
- Suction catheters, handles, tips and nozzles (non-disposable)
- Stitch cutters and staple removers (including disposable)
- Thermometers (except core temperature probes 1 only in Cardio Thoracic cases)

X-ray detectable swabs except during thoracic, abdominal, deep orthopaedic, spinal, perineal- and neuro-surgery.

#### NON-CHARGEABLE EQUIPMENT

- \* Anaesthetic machine
- \* Cautery, Diathermy and Fulguration (plates chargeable)
- \* Humidifier
- \* Monitors, ECG and Dinamapp (Electrodes chargeable)
- \* Patient Controlled Anesthesia pumps (programmable re-usable)
- \* Ventilators

#### NON-CHARGEABLES IN CATHETERISATION LABORATORY (As per item ...181)

- \* Medrad pump - high infuser (equipment non-chargeable, but HP syringe used is chargeable).
