REGULATIONS

REGULATIONS MADE IN TERMS OF

Allied Health Professions Act 7 of 2004
section 55

**Regulations Relating to Minimum Requirements of Study for
Registration as Dental Technologist**

Government Notice 31 of 2017

(GG 6249)

came into force on date of publication: 27 February 2017

The Government Notice which publishes these regulations notes that they were made on the recommendation of the Allied Health Professions Council of Namibia.

ARRANGEMENT OF REGULATIONS

1. Definitions
2. Minimum qualification for registration as dental technologist
3. Recognition of qualification by Council

Definitions

1. In these regulations a word or an expression to which a meaning has been given in the Act has that meaning, and unless the context otherwise indicates -

“dental technologist” means a person registered as a dental technologist under section 21 of the Act;

“registration authority” means the registration authority responsible for the registration of a person to practice as a dental technologist in the country in which the person obtained a qualification; and

REGULATIONS
Allied Health Professions Act 7 of 2004

Regulations Relating to Minimum Requirements of Study for Registration as Dental Technologist

“the Act” means the Allied Health Professions Act, 2004 (Act No. 7 of 2004).

Minimum qualification for registration as dental technologist

2. (1) Subject to regulation 3, the minimum qualification required by the Council for the registration of a person as a dental technologist under section 19(1) of the Act is a Baccalaureus Degree in Dental Technology obtained by the person from an educational institution after the person has successfully completed a full-time study for a period not less than four years at that educational institution.

(2) The curriculum of study for the baccalaureus degree contemplated in subregulation (1) must include the following subjects -

- (a) Dental Technology Theory I, II and III;
- (b) Applied Dental Technology I, II and III;
- (c) Dental Material Science I, II and III;
- (d) Oral Anatomy I;
- (e) Tooth Morphology I;
- (f) Dental Technology Theory IV; and
- (g) Dental Material Science IV.

(3) A person who is a holder of a National Diploma in Dental Technology and who has completed an extended Bachelors Degree in Dental Technology at an educational institution for a period not less than one year may apply to the Council for registration as a dental technologist.

Recognition of qualification by Council

3. The Council may only register a person as a dental technologist, if the -
- (a) educational institution at which the person obtained the qualification contemplated in regulation 2(1) and (3) is approved by the Council;
 - (b) registration authority recognises the qualification referred to in regulation 2 for registration of a person to practise as a dental technologist in that country; and
 - (c) person complies with other requirements for registration as a dental technologist required in terms of the Act.
